

# Alcohol Smoother & Enhancers

Crafting great taste for spirits,  
ready-to-drink alcohol,  
and mocktails.

## Alcohol Smoothers

Evens out the harshness of higher ABV spirits and RTD cocktails to create balance and increase drinkability.

Available smoothers:

- Alcohol Smoother
- Sweetness Enhancer
- Bitterness Masker
- Mouthfeel Enhancer

## Alcohol Enhancers

Increases the taste perception of alcohol in beverages. Great for mocktails and lower ABV RTD cocktails and spirits, or to increase the flavor in any alcohol-based product.

Available enhancers:

- Alcohol Burn
- Alcohol Booster
- Gin Profile
- Vodka Profile
- Tequila Profiles
  - Agave
  - Mezcal
  - Tequila
- Rum Profiles
  - Jamaican Rum
  - White Rum
  - Spiced Rum
  - Dark Spiced Rum
  - Allspice
  - Caribbean Spice
  - Five Spice
  - Six Spice
  - Thai Spice
- Whiskey Profiles
  - Bourbon
  - Charred & Smoked
  - Oak
  - Scotch

## Vanilla Extract

Made from the finest Madagascan vanilla beans, bourbon vanilla extract can be used to smooth, increase sweetness, mask bitter off-notes, or enhance the flavor complexity of alcohol.
